

About Anthony Graham

I am passionate about....

- watching videos of my favourite gamers playing my favourite games.
- playing on my Nintendo Switch, especially Super Mario, Roblox and Minecraft
- Star Wars - reading, watching & pretend playing
- my favourite TV shows are Octonauts & The Odd Squad
- playing in the sandpit, and water play
- Japanese food, egg & bacon rolls & chocolate milkshake
- spending the weekend having play-dates with my friends & movie nights with my family

I am:

- a loveable kid & a real character!
- a 'people person' who loves being with others
- inquisitive & enjoy learning

My Family

- My Mum, Margaret, my Dad, David, my younger brother, Graham, & our dogs, Finn & Meg.

Things I am good at...

- My attention to detail; I can pick up subtle changes and details that others might miss & I have a good memory
- My perseverance; I really give everything 'a go', even difficult things
- If I really enjoy something, I can stick with it & focus for hours!
- My creativity; I have a great imagination, and like to play out scenes from Star Wars & other favourite stories
- Kindness; I am a really good friend - I care for my friends & look out for them. I like to make them laugh & give the best hugs!
- My sensitivity; I am perceptive to other's emotions & want to help if someone is hurt or struggling.

I learn best when....

- I am interested in the topic
- It can be related to my interests
- I am given information in multiple ways
- Visual aides, like timers & schedules are used
- I can use technology
- I am encouraged & praised for good work or effort
- I can experience success
- The environment is quiet & ordered

I don't work well when...

- I am distracted by lots of activity, movement or noise
- I am tired or anxious or feel pressured
- I have to sit for a long time
- Lots of information or many instructions are given at once
- I find the topic 'boring' or 'hard'
- I am expected to write a lot of text
- I am not given enough time
